

## Aveda Holiday Gift Sets!

Holiday gift sets have arrived. Stock up so you are prepared for the holidays. We have gifts for everyone to feel pampered from head to toe.

Did you know we offer  
Reflexology?

Available for feet and hands

Reflexology is the application of pressure to areas on the feet, hands and ears. Reflexology is generally relaxing and may be an effective way to alleviate stress.

The theory behind reflexology is that these areas correspond to organs and systems of the body. Proponents believe that pressure applied to these areas affects the organs and benefits the person's health.

\*according to information from Mayo Clinic
